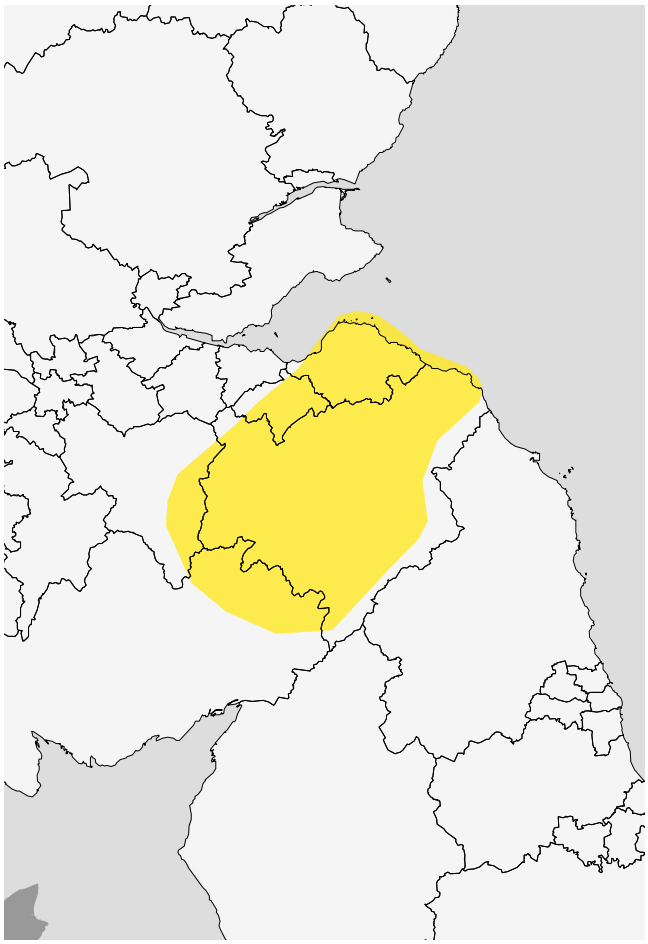
Yellow warning
Thunderstorm

Between
15:00 Fri 25 Aug 2023 and
09:00 Sat 26 Aug 2023



Heavy showers and thunderstorms may lead to some flooding and travel disruption.

What to expect

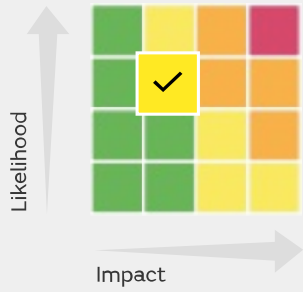
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is possible
- Small chance of some damage to a few buildings and structures from lightning strikes

Further details

Heavy showers and a few thunderstorms are expected to continue overnight. The showers will be slow moving in places leading to hourly rainfall accumulations of 10-20 mm with the chance of 30 to 40 mm in a few hours. Lightning will be an additional, albeit isolated hazard.

Reason for update

Focus for heavier showers and isolated thunderstorms is now expected to be further south.



Medium likelihood of low impacts
